“Swing Bridge to Golf Course Footpath”

21st April 2026

Quotation No. **1608**

QUOTATION

<p><u>“New Footpath Works : Swing Bridge to Golf Course Footpath”</u></p> <p>Further to our site meeting and survey at the above location, Please find attached the quotation for the works :</p> <p>Mobilise plant and equipment to site and set up safe working area and local Traffic Management. Identify existing defective broken concrete footpath previously discussed requiring replacement (To all be marked up in paint and agreed prior to works taking place) Saw cut joints and prep for removal of top layer and leave the foundation of the path below and concrete edges. Break out and remove existing defective surface and scrape off vegetation Remove off site to SEPA authorised tip facility Lay a base layer over the concrete surface to regulate/level prior to new topcoat surface Realign the footpath near the golf course end to keep away from old pipework underneath the ground and old culvert pipes Finish full length of path with 50mm layer of new tarmac surfacing Supply and import new screened topsoil to edges of new footpath. Apply grass seed and roll to completion Remove any excess spoil off site</p>	<p>£ 29700.00</p>
<p>All prices are exclusive of V.A.T.</p>	<p>£ 29700.00</p>

I trust this offer meets with your approval, and please do not hesitate to contact if you require further assistance

Regards
