

The Grantown Society

was founded in 1974, registered as a charity in 2020 and opened its first premises, The Grantown Hub, in August 2024. From here it delivers and supports a wide range of community-led initiatives. protecting, promoting and improving Grantown's unique culture and heritage.

The Society's charitable aims

are the advancement of:

- education about its local environment, culture, heritage and/or history
- citizenship or community development
- arts, heritage, culture or science
- environmental protection or improvement, the preservation or development of the natural environment and buildings or sites of importance to the community.

Membership

The Society is a membership organisation;

- ... standard life time membership
- ... annual Club membership offering further support and more involvement in the Hub.
