Subject: RE: Re:RE: Glenelg Pier - Structural Survey (T1619)

Hi Catriona Thank you for the clarifications. We would be pleased to undertake the inspection of Glenelg Pier. Following review of the information supplied at present please find our Fee Proposal below.

Scope

Wallace Stone shall provide a fee proposal for: -

- Undertaking a 1 day inspection at low water by a Chartered Engineer and assisted by another Engineer, this will require an overnight stay for the team
- Prepare report on inspection

Deliverables

Wallace Stone shall deliver: -

- Report on inspection, which will detail the inspection findings, recommendations for maintenance and repair, and provide outline drawing of inspection findings.

Programme

- Dependent on confirming a suitable low water window following award
- Issue of report will be maximum 4 weeks following inspection

Exclusions

- Assumes no dive team, and suitable low water window to allow access to structure without a dive team attendance

Costs

- Time Cost and Expense basis within budget with budgets proposed as: -
 - Inspection - £4,500 ex VAT
 - Reporting - £2,400 ex VAT

I attach our standard rates and terms of business. I trust this proposal is of interest to you and we look forward to discussing the project with you further. Please call or email if you have any queries.

Kind regards

David Thomson *Principal Engineer*
